A MESSAGE FROM THE EXECUTIVE

We are once again thrilled to be welcoming everyone to the Collingwood Skating Club's 72nd annual Carnival. This year, our coaches have choreographed routines highlighting our talented pool of skaters, from beginner to advanced, and will be taking you on a **“Family Vacation on Ice.”** Representing the Town of Collingwood, we are once again honoured to have Her Worship, Mayor Yvonne Hamlin, opening our show. And, we are delighted to have our very own coach, 1988 Olympic Silver medalist, Elizabeth Manley, leading us through the show as our on-ice hostess. Our special guest performer this year is two-time Canadian National Champion, Nam Nguyen!

As a not-for-profit organization, it is vital that we have the support of our community and we would like to once again thank all of our sponsors who have done so much to help make this carnival possible, and to support our young skaters throughout the entire year. We would like to acknowledge the Town of Collingwood and the Parks, Recreation and Culture Department for sponsoring our ice time today. As well, thank you to collingwoodtoday.ca and 95.1 The Peak FM for advertising our event.

This event would not be possible without our CSC Executive members and our Carnival committee. These volunteers dedicate countless hours throughout the year to coordinate all the details that are needed to run the club and enable events such as this. Specifically, we would like to extend a huge thank you to coach Erika for going above and beyond this year organizing our Winter Glitter Competition last fall and our Carnival today! We would also like to thank Eric Sutton for donating his time and his amazing photography skills, capturing our skaters in their best light!

Finally, a special 'Thank You' goes out to our fantastic coaching team. We appreciate the creative energy you devote every year to our skaters and to making our annual carnival so entertaining, engaging and fun! This year we were so fortunate to welcomed back coach Michael, we knew he was not ready to retire those skates just yet!

To wrap up our fall/winter season we will be hosting our Annual Awards Ceremony, please stay tuned for more details to come! As well, our Annual General Meeting, where a new executive board will be elected, will take place with a date and location TBD. All members interested in joining our executive are encouraged to reach out!

Please enjoy the show!

A Message from Mayor Yvonne Hamlin:

5 April 2025

On behalf of the Town of Collingwood, I am delighted to welcome you to the Collingwood Skating Club's end-of-year carnival, *Family Vacation on Ice*, hosted in our historic downtown Eddie Bush Memorial Arena. This year we also honour the 72nd anniversary of our Skating Club.

The Collingwood Skating Club is a cornerstone of our community. It inspires young athletes of all ages to embrace active lifestyles while fostering teamwork, independence, goal setting, and leadership both on and off the ice.

To all the skaters, coaches, volunteers, and families—your dedication and passion make this event truly special year after year. Your hard work shines through in every performance, and this afternoon is a celebration of your collective effort.

Enjoy the show and the magic of Family Vacation on Ice!

Warmest Wishes,

Mayor Yvonne Hamlin

Hermione Clarke

Hermione started skating with the Collingwood Skating Club's PreCan Skate program just before her 3rd birthday. In 2016, she began volunteering as a Program Assistant and decided then she wanted to share her love of skating with the youngest of local skaters. Last year, Hermione started working towards her Skate Canada CanSkate Certification and is currently completing the on-ice portion. Outside the rink, Hermione is a nordic ski racer, barista, baker and enjoys sewing. Thorough out the years she has even designed and sewn many of the carnival costumes! Hermione is currently preparing to head off to University in the fall to study business. Naturally, she will be taking her skates along with her.

PROGRAM ASSISTANTS

The C.S.C. would like to thank all of our 2024/25 Program Assistants. These skaters volunteer their time assisting on our Pre-Can and Can-Skate sessions. All Program Assistants must first attend a Skate Canada training session and they must be able to demonstrate a certain level of skating achievement as set by Skate Canada.

The responsibilities of a PA include: assisting the coaches, demonstrating skills, lead circuits and group activities, set-up / take-down equipment, participate in theme days and help ensure safety of our young skaters. Our PA's are role models for young skater's

demonstrating patience, commitment and enthusiasm and are vital to the success of our "learn to skate" program.

GRADUATING SKATERS

Hannah Wierzbicki

"**Hannah** joined the Collingwood Skating Club when she was 4 years old, and this year she helped many other 3 and 4-year-old skaters discover the fun that can be had on the ice.

It's been a pleasure to have Hannah on the ice for all these years and to see her grow up enjoying the sport and the friends she's made at the rink. It was an especially exciting day when I got to witness Hannah land her first axel jump and be so thrilled about it.

We are sad Hannah couldn't skate in her last show with us today because of an injury, and we are all sending her wishes for a speedy recovery.

Good luck to Hannah from the Collingwood Skating Club as she graduates high school and grows into future endeavours. We hope to see you at the rink sometime soon!"

Coach Erika

Hannah,

We are so proud of you. Your love for life and your positive attitude has been inspiring. You have accomplished so much in your 17 years and you are forever growing into the person you wish to become both on and off the ice. Your skating spirit has grounded you and has given you confidence and strength to meet your goals. I hope you continue skating and reaching for the stars!

Love Mom and Dad

Thank you to all the coaches at CSC that have made me the skater I am today and thank you to all the girls who have made the rink such a special place for me. I'm going to miss it so much!

Hannah

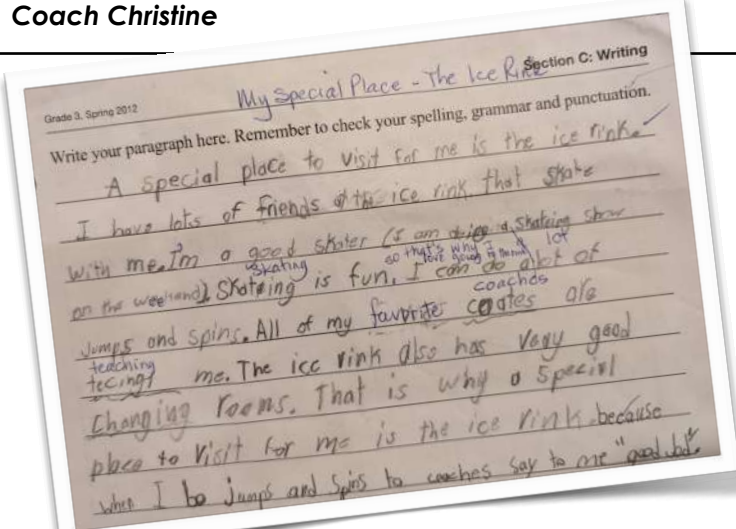

Hermione Clarke

"**Hermione** joined the Collingwood Skating Club when she was only 2 years old, turning 3 years during her first season, and now at the age of 18 years she has truly grown up with our club. It has been a pleasure coaching Hermione, she has always been dedicated, hard working and up for any challenge. She has made lasting friendships with her fellow skaters. Hermione has volunteered for our club for numerous years as a Program Assistant and it is fantastic to see her now completing the requirements for the Skate Canada CanSkate Coaching course. Off the ice, Hermione has also volunteered numerous hours throughout the years helping her mom, Karen, sewing carnival costumes! Everyone at the Collingwood Skating Club would like to wish Hermione all the best in her future endeavours! We are very proud of your accomplishments and hope you continue to embrace your passion for skating!"

Coach Christine

Thank you to Coach Christine, my first coach ever and to Dance Coach Michael and Erika. As my younger self wrote, you coaches were so important to me back when I started figure skating and still mean the world to me. Because of you, I found my happy place at Eddie Bush and I will miss you all immensely. I can't thank you enough for all your efforts to both my skate training and coaching.

Love you guys! Hermione P. Clarke

Solo - Summer in Paris

Hermione,
15 years ago you started figure skating and I feel blessed to have been your rink side fan all these years. The class and elegance of both your performances and lessons is an absolute joy to watch. Enjoy every second of your last Carnival and graduating soloist routine.

Love Mum, Dad and Phoebe
